Four-Year Bachelor of Science (Research) Program

The Indian Institute of Science, a leading institution of higher learning with a strong tradition for research, offers a **Four-year Bachelor of Science (Research) Program**, which is designed as a balanced blend of core science and interdisciplinary topics to serve as a platform for attractive career opportunities in academia and industry. Students who complete the requirements for the award of the Bachelor of Science (Research) degree will have the option of getting a Master of Science degree by studying at the Institute for a fifth year.

Applications are invited for admission to the four-year undergraduate program at the Institute. Eligibility, selection criteria and other details are also available at the website <https://bs-ug.iisc.ac.in/>

ELIGIBILITY

Mandatory educational qualifications. (Qualifying exam)	National entrance exam (i.e., Mode of entry) requirements
(a) Candidates who have completed their 10+2 (or equivalent) examination in 2023 and also those who are expecting to complete their 10+2 (or equivalent) examination in 2024.	Selection will be based on the merit list of one of the following national examinations. 1. JEE Main -2024 2. JEE Advance-2024 3. NEET(UG)-2024 4. IISER Aptitude Test (IAT) 2024 Note: Candidate must be qualified in any one of the exams mentioned above, and the exam result must be valid as of 01 August 2024.
(b) The candidates must have studied Physics, Chemistry and Mathematics as main subjects in their qualifying exam along with any other subjects.	
(c) The candidates must have secured a first-class or 60% or equivalent grade (relaxed to pass class for SC/ST candidates) in the qualifying examination (i.e., 10+2 or equivalent)	

Note: Candidates must apply directly on the IISc admissions portal for all the above Modes of Entry.
